Films Related to Palestine

LYD

American filmmaker **Sarah Friedland*** and Palestinian filmmaker Rami Younis explore multiple pasts, presents, and futures of the city of Lyd in Palestine/Israel. For Palestinians, Lyd's story is a painful and tragic fall from grace, which is why our film dares to ask the question: what would the city be like had the Israeli occupation of Lyd never happened?

Other films on Palestine include: Bye Bye Tiberias Fattoush; Little Palestine, Diary of a Siege; Mahdi Amel In Gaza; and R 21 aka Restoring Solidarity.
